**STAKEHOLDER**

Creating a brighter future, together

## ABOUT US

### ▶ WHO WE ARE?

**STAKEHOLDER** for a long time and has accomplished many large projects in the field of construction, around Qatar doing projects for private, semi government and Government sectors. The company has repeatedly proven that quality is achievable on a fast-paced schedule. By partnering with architects, developers and owners, buildings are constructed to maximize cost efficiency, versatility and endurance through the use of value engineering, plan review and long standing experience. **STAKEHOLDER** can provide professional contracting service, steadfast in attaining its goals for excellence and success not only locally but also internationally. It is determined to reach another milestone of productive years and decades in the business.

### ▶ WHY US?

Our clients are experts in their field; managing prestigious projects throughout the Gulf and globally, and their focus is on quality and safely delivering these projects on time. We at **STAKEHOLDER** allow our clients to manage their projects in a proficient manner.

- **We listen:** Understanding our clients' needs is our top priority.
- **We challenge:** It is our job to find solutions to our clients' toughest construction problems.
- **We push boundaries:** to ensure the very best outcome for our clients, every time.

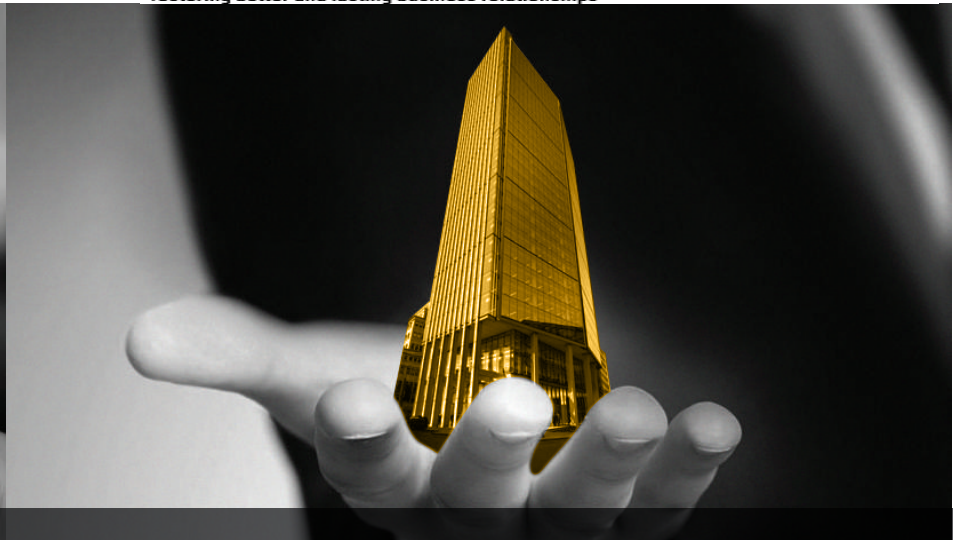

## ▶ OUR VISION

- ♻️ We have built our reputation that keeps bringing clients back to us when they require our services by being a contractor that produces projects of the highest quality without sacrificing cost or safety. Our Quality Control Program includes not only field quality inspections but also document review for both accuracy and the most current methods and materials. Daily inspections by our Project Superintendents and QC team on site will answer questions and resolve issues early, eliminating unexpected costs and non-compliance issues.
- ♻️ Number one goal is to provide a safe working environment for our employees and subcontractors and Become a front-runner in the Qatar region in different sectors and industries.
- ♻️ Be known for the harmonious and productive work relationships we create with our clients and business partners.

## ▶ OUR MISSION

We are committed to grow as successful leaders in construction services by creating long-term relationships, through superior performance and efficiency, with our team, trade partners and customers.

- ♻️ **RESULTS-DRIVEN:** Stakeholder commits, then delivers quality while staying on time and within budget. Employees at stakeholder are driven to do what it takes to overcome obstacles when fulfilling commitments.
- ♻️ **TEAM ORIENTED:** Stakeholder's success is grounded in team effort. With eyes on a common objective, our employees pull together and form a working family with all parties involved in a project. Cooperation is key.
- ♻️ **CUSTOMER ORIENTED:** Clients depend on us to listen to them and accommodate their needs with a "can do" attitude. We deliver by going the extra mile with owners as well as with suppliers and regulatory officials. How we deliver our services to create happy customers defines our success.
- ♻️ **SAFETY CONSCIOUS:** Construction sites are potentially dangerous, so Stakeholder considers safety in every budget and scheduling decision. Our safety reflect that accident prevention and promoting safety is paramount as we fulfill our mission to provide quality service.
- ♻️ **PEOPLE FOCUSED:** Lasting relationships with all parties is our intent. We believe that respecting and supporting each other fosters motivation and leads to delivering quality service. Since individuals accomplish our goals, our focus is on people. Our moto "fostering better and lasting business relationships"

## CONTRACTING AND TRADING

Our people bring their technical knowledge, experience, and resourcefulness to the delivery of our construction services. We build with the intention of exceeding our clients' expectations for safety, quality and functionality and deliver finished products in an affordable and timely manner. Our company is based on the concept of Quality Management System "QMS" and its application at the company level and projects level as well.

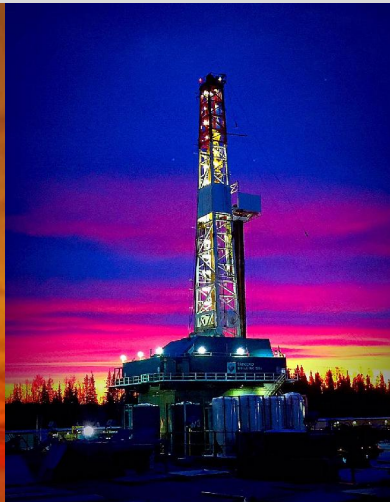

**PRODUCT DELIVERY:** Product delivery is a component of our company services. On time delivery of our products to our customers' sites is critical for the continued success of our business.

## PETROLEUM & MECHANICAL SUPPLY & SERVICES

Petroleum & Mechanical Supply & Services "**PMSS**" is recognized today as a project-oriented supply company, supporting projects with entire spectrum of Materials, Equipment's and Consumables, also associated Services related to the Oil, Gas, Petrochemical and Power Generation industries.

As for Materials Procurement Services, the basic strength of **PMSS** comes from a competitive sourcing and supplying of superior quality products. At **PMSS** we work carefully and systematically to expedite orders and ensures on time deliveries to meet the project requirements and schedule.
